THE PASTOR'S CORNER

Welcome Parishioners, family and friends, gathered to celebrate Easter.

We have come here to celebrate the Resurrection of the Lord in this most holy season. New life is all around us as we enter the spring of the year and nature re-awakens. The cycles of death and new life from winter to spring, suggest the glorious event that Easter remembers: Jesus is Risen from the dead, indeed he is risen, the first fruit of all creation. He prefigures our own destinies through the seasons of life in his own gospel life. Even death itself is conquered in the Glory of God's power to Raise Jesus from the dead.

Through the 40 days of Lent and Holy Week we have walked together as followers in the footsteps of Jesus. We have remembered the events that have communicated God's Love throughout the ages and especially the great love that God has poured out for each of us in the person of Jesus, his only begotten Son. We have walked humbly together, in the way of the Cross and now we will celebrate for 50 days the triumph and glory He has won for us in this our Easter Season of Grace and Resurrection.

Now we are called to be witnesses to the meaning of Easter. We have been forgiven our former sins and brought through the grace of conversion to new life. We are now empowered to deliver this gift of forgiveness and new life to others so they too can come to know the power of the Resurrection and the free gift of God's grace that has transformed us. We are Easter People singing Alleluia for new life. We are glad to share our gratitude to God for the transforming love that has brought us from the death of sin to the joy of eternal life. God has promised and realized this truth through the Resurrection of the Lord, the model of the destiny that is ours in the Faith Hope and Love we share as Christian people now redeemed.

May the Glorious Love and Power of God poured out on us this Easter, Bless you and yours with new life and grace in abundance.

*Fr. Dan*

**ShareLife**

“We don’t own anything. It’s really a gift from the Lord; our time, our talent. It’s not ours to cling to; it’s ours to share. The more we cling to things, the more we sink. The more we share generously, the more we live. Life’s too short to just exist. We need to live, live to the fullest, and we do that when we’re not so focused inwards but we’re reaching outward. That’s the way our Lord Jesus calls us to life” -Most Rev. Thomas Collins, *Archbishop of Toronto*
