THE PASTOR'S CORNER
Peace and Goodness to all!

We began this new liturgical year, approaching our 100th anniversary, as we gathered for our semi-annual parish retreat. We welcomed all of our parishioners to a day of renewal in the Holy Spirit of Stewardship. We remembered that we share in the ministry of Jesus Christ. We renewed our commitment to live and proclaim the gospel and welcome all to come to know the Lord in the intimate call to follow Jesus. It is through the Cross and Resurrection, in the sacred power of the Holy Eucharist which we celebrate as the source and summit of our life in the Church. Together as friars and lay individuals we are all called by Baptism to share in the intimate relationship with the Lord. In Eucharist we become the Body of Christ. We reflected on the ways that we share our diverse gifts, and services united in the calling we are each given to be a part of this Church and the redeeming mission of Jesus Christ. We are members of the Body of Christ with Him as the head. Every ministry, committee, and parish organization shares in the life and mission of the Church. We endeavoured to become more deliberately conscious of this through the retreat process. It is our hope to have a special year of parish renewal and growth in holiness in this special time, as we begin a new century in the love of the Lord.

Last week, our building committee met in conjunction with the finance committee to discuss the various projects that have surfaced as a result of the extensive building envelope study that was conducted last year. We discussed the new carpeting that we hope to have installed in the next couple of months and more major projects that will be presented in the next couple of years to keep the building safe and well maintained for the future.

At the staff meeting we discussed many topics including the roles of the youth and young adult groups in the life of the parish, the 100th anniversary celebration efforts, improving our website and external communications, Winter Welcome table and other outreach potentials, continued ministry to the sick and shut ins and most immediately the preparations for Christmas celebrations and outreach to those in need. A highlight was the great appreciation we shared for the great Santa Claus Day celebration that was so successfully carried out by our youth group and the new young adult groups. We also went over the plans for religious education and sacramental preparations that will be carried out in these coming liturgical seasons.

It has as ever been a blessed and full week for which we thank all of you for making St. Joan of Arc parish a holy and vibrant community. It is a blessing to serve as your pastor with Fr. Bob as associate, we are truly grateful for your life and full participation.

In the Love and Joy of Christ Jesus,
Fr. Dan
