THE PASTOR'S CORNER

Peace and Goodness to all!

It has been a fruitful week here at St. Joan of Arc as we prepare for next season. The staff meeting this week set the schedule for all of our committee meetings, retreats and parish events so the structure is in place to continue our stewardship of the parish life, worship and activities. Fr. Mon Luiz was with us. He will be a great gift for us as we hope to expand our ministry to the seniors and to care for our sick and shut-ins in a more organized way. This coming year will be the lead up to our 100th anniversary celebration in 2019 so we are already planning for a robust participation in the present and future of our parish as we remember our history.

On Tuesday, the finance committee met for their final gathering until the fall to review the finances and to plan ways to sustain the generosity of our parishioners for the life and growth of our ministries and parish vitality. We have a very gifted group in this committee and we are looking to find new members whose talents can augment the services they provide. If you are interested in this, please bring or email a resume to me or the parish office so we can invite your participation in this service. Also on Tuesday, the building committee met to discuss the projects they have begun and to plan the continuation of the maintenance and improvement of our facilities. This is a great group of parishioners whose efforts keep our parish facilities working to house our many ministries and activities. This committee is also looking for new volunteers to assist them in their work so if this is your interest, please contact me or the parish office, so we can help you become connected.

A little later in the summer the Ministries committee will meet to continue the work they have begun and to have things in order for the work they will do in the coming year. Among their plans is a parish survey that will augment the one that was conducted several years ago to keep us updated as to our needs and services to the parish and the wider church. Fr. Mon's entry to our parish staff and team will be a great gift to our parish and the services we can provide.

This Saturday, I will run the Tupper Lake Tinman race in preparation for the Ironman race in July. I'll be back Saturday night for the masses on Sunday, so hopefully will be able to wear a medal. This year the building committee has suggested that the funds go toward an air conditioner for the hall. They have identified an infrastructure already in place where air-conditioning can be installed. Last year your generosity made the office and meeting areas more comfortable for the summer months, now we hope our parish hall will be more comfortable for our activities in the warmer months. The Iron Friar runs again! Thank you for your support both prayerfully and in generous donations to the improvement of our church.

This bulletin will be the last one published until the beginning of September. As the activities slow down and many are away at the Cottage or on vacation, I pray you will have a well deserved time of rest, refreshment and relaxed time with family and friends to nourish treasured relationships. May the Lord bless you with renewal and life over the summer, so that you may begin with new energy and a refreshed spirit in the next season. The bulletin in September will inform you of the start up dates for the coming year.

The RCIA program is finished for this season and will begin again in September so if you or anyone you know is interested in the Catholic Faith or in adult baptism or becoming a member of the Faith community, please leave your contact information with the parish office and see the schedule that will begin in the fall. Important announcements will be made from the pulpit throughout the summer and mass intentions and important notices will be posted in the back of the church each Sunday. Enjoy the summer and know that the office will be open all summer and Fr. Mon and I will be here throughout the summer except for the week in July when in Lake Placid for the Ironman race.

Thank you all for the fruitful year we have experienced because of your prayerful and generous participation in the life of our parish. May the Lord Bless you richly in these summer months.

In the Love and Joy of Christ Jesus,

Fr. Dan

Please Pray for:

Living the Gospel by helping youth to rebuild their lives...

Seventeen-year-old Emily arrived at Sancta Maria earlier this year having previously spent time at Whitby Shores. Her biggest surprise is the warmth and calm acceptance she feels here at her new "home". Having grown up in a home with no father, Emily spent a great deal of time in conflict with her mom, which caused a great deal of anxiety. She eventually ended up in a Toronto clinic at sixteen, and soon discovered that the lack of acceptance did nothing to build up her self-esteem. At Sancta Maria House, Emily has gained her independence and improved her confidence in cooking skills. As well, she has developed her job search skills, having applied for several positions with hopes to start a job soon. ShareLife-supported Sancta Maria House has provided life-transforming services for young women in need for over 40 years in the Greater Toronto Area. Please make a sacrificial gift to ShareLife payable to your parish, on the memo line mark ShareLife.
