The Friar's Nook

As we prepare to celebrate Canada Day, I wish you all a happy one and perhaps even a safe gathering! I am planning on beginning the day celebrating with a bowl of limited-edition Canuck Crunch by Captain Crunch. Then I will go wherever the day takes me. Since we have been open, I have had a big uptick in funerals. This has been balanced out by baptisms almost every weekend. I guess we know that people have been doing during lockdown. So far, I have not baptised any child named Quarantina, but there are still many more to come. Also there has not been anyone taking the baptismal name after St. Corona. Probably for the best.

If you have been following the live-streamed Mass, you noticed that last week was a carnival ride! The camera had a mind of its own. Whenever I looked at my monitor I was surprised to see where the camera was aiming. That being said, I was hoping to set up a Communications Committee prior to COVID and now it becomes even clearer for the need. Currently I control the music and the camera while celebrating Mass. I am currently working on a script for running the music and one for the camera so that it will be easy to do. Eventually the choir will be returning so the music will stop being an issue. If you think that you can help, please let me know. I will be happy to train you in it. I realize that Summer is a tough time for some with folks going away on vacation however, whatever you can do would be helpful.

As you may have noticed, our attendance at Mass is increasing. But we still have lots of room. I am finding more and more people have been getting their second vaccine shots, so we are becoming a safer environment. One downside for me is that some venues in the United States are not accepting the Astra-Zenika vaccine, so even though I am fully vaccinated I may have trouble visiting home. I hope they work it out soon.

In the meantime, we are continuing to move forward a parish community. There seems to be a light at the end of the tunnel. Please continue to pray for an end to this pandemic and that people continue to take it seriously. If we can take this down, we will be better prepared for whatever might come in the future!

For those of you who might be away this Summer, remember you can always access the bulletin on our webpage: www.joanofarc.ca or on your phone on the "MyParish" app to see what is going on and coming up. Since Bundle Sunday is approaching maybe now is a good time to go through your things and clear out the clutter. Since we have been stuck at home for the past year, I'm sure there are things that we probably have been tripping over. Don't move them around – move them out to somewhere they can do some good!

I am looking forward to this Summer come what may. If I am alone, at least I can work on my tan! When we can have people in the Parish Hall again this beard is going, and I can't wait. I never knew that it was going to be so hot. I guess that I should have because my dad would grow his for the Winter to keep warm and shave it off in the Spring. In all fairness, I didn't think that the pandemic would last soooo long! Hope to see more of you in the coming months.

*Stay safe and happy.
Fr Bob*

Society of St. Vincent de Paul: Bundle Weekend

We will be holding a Bundle Weekend on July 17-18, 2021. Finally, with the lockdown over we can go ahead, we have had to change the date twice. The truck will be in our parking lot to collect your gently used items, clothing and household items.

We don't accept: Appliances, baby or regular furniture, books, mattresses, dishes, construction material or video tapes. If you need more information you can go to: www.ssvptoronto.ca. Thank you for your continued support of the Society of St. Vincent de Paul.

Our Parish App!

St. Joan of Arc is launching our own app for iPhone and Android smart phones. This will allow us to better communicate with you throughout the week and keep you updated with relevant parish news or updates. The app is very well designed and very intuitive. It is a great resource for parishioners by providing daily Mass readings, Catholic news and prayers, convenient prayer and Confession reminders, our bulletins and more. We hope for our new app to be a tool for fostering stronger parish life at St. Joan of Arc and better stewardship. You can either look for "MyParish" in your app store and select St. Joan of Arc Parish in the setup or scan the following code.

A Prayer for an End to the Coronavirus Pandemic

Saint Joseph, Patron of the Universal church, we ask that you intercede with your Son the Saviour of the World, for an end to the coronavirus pandemic, that the sick may experience healing, the dying, peace, healthcare workers, strength, and our leaders, wisdom.

V. Protect me, O God,

R. For in You, I take refuge. (PS.16.1)
