THE PASTOR'S CORNER

The parish council met on Monday night under the developing format with 9 members who represent the 29 or 30 parish organizations. This meeting reflected a great deal of progress in our development and positions us for the gathering of the Annual General Meeting which will be held next time. It seems this format lends itself to representative involvement and improved efficiency in handling the business of the meetings. We are grateful for the hard work and dedication of Larry O'Grady and Cyndy in fostering this re-design. The fruit of their good work is of great benefit to the parish.

On Tuesday evening the building committee met to review the progress of the Capital Campaign projects. We were told that the contractor wants to wrap up the work on the hall by the end of the week. That means that all that will be left this coming week is to inspect the project and see if there are any loose ends. We will soon have a ribbon cutting ceremony to celebrate this portion of the project being finished. By early next week we hope to be able to open things up for scheduling events. We will keep you posted.

As for the front of the Church; the City has created some new inspection issues that have delayed any work being done another week or two. The surprises from the many offices that need to be satisfied downtown are ubiquitous so while they have told us that they hope to finish just after Easter, I will believe it when I see it. The good news is that things are still on track with the budget.

We also discussed the continuing progress on the sanctuary lighting, this may begin just after Easter, if the underlying electrical issues can be satisfied. Eventually after the Capital Campaign projects are completed, we will need to resolve the major electrical issues that have surfaced in the process of completing these plans. We continue to pray through the intercession of St. Joseph the Worker that these projects will be completed soon and well.

The preparations for our Easter Celebrations are underway. Chris McConnell will be meeting with the 12 O'Clock Choir on Tuesday evening at 7:30 pm. Chris and Susan McElcherin are working on the music for the Triduum. The RCIA program will continue with the rites of Scrutiny leading to the Easter Sacraments and the various ministerial groups will be meeting on March 21 to finalize liturgical preparations for the Easter Liturgies.

As we continue on our Lenten Journey toward the celebrations of the Paschal Mysteries celebrated at Easter let us continue to pray for the grace and help of God to be with us so that our lives and our parish may grow to realize more fully the Kingdom of God in our midst.

In the Peace and Love of Christ,  
Fr. Dan

Please let us know if you wish to participate in this endeavour by filling out the bottom portion of the flyer located at the entrances of the church. Please return this via the collection plate or to the Parish Office, so we can plan for numbers. (If we have a completed hall.)

**Thank you!**

From the office of Arthur Peters, Executive Director of ShareLife:

His personal note: *Thank you to your parish community for supporting this effort!* ... We thank the parishioner of St. Joan of Arc for answering the call to provide urgent humanitarian assistance to our brothers and sisters in Haiti .... Your parish donation of \$13,000.00 will certainly make an immediate and meaningful difference to those who are badly in need of help. **Arthur Peters**

**National Catholic Mission**

Will be on Vision TV, Monday, March 29<sup>th</sup> & Tuesday, March 30<sup>th</sup> at 9:00 pm. See posters at the entrances of church for more details.

**Sharelife**

We started this year by responding with true generosity to the needs of the Haitian people following the devastating earthquake that levelled that country. Now we turn our attention closer to home during the annual Sharelife campaign.

This year we have an opportunity to increase the impact of our parish effort. Just as the federal government did for Haitian relief efforts, a generous Sharelife donor has pledged to match our gifts. Through the ShareLife Community Challenge, all new and increased gifts to the 2010 Sharelife campaign throughout the Archdiocese will be matched, up to a total of \$500,000. If you are a new donor your gift will be doubled this year. If you are a regular donor and increase your donation the increase will be matched. Please help us, by making a new or increased gift to our parish Sharelife Campaign.

**Barrier Free Washroom**

Our new Barrier Free Family Washroom is now completed, with a change table. It is right beside the Ladies Room in the parish hall. Please feel free to check it out.
