## The Pastor's Corner Peace and Goodness to All!

Happy St Joan of Arc Day! Welcome to all who are with us for this fun family day!

It is a great Blessing that our annual celebration falls on the feast of Corpus Christi. The Church throughout the world today celebrates the Feast of the Body and Blood of Christ even as we celebrate the Feast of St. Joan of Arc. Eight years ago, on St. Joan of Arc Day, I came to this parish to serve as an associate pastor. Then several months later, I was appointed pastor. It was seven years ago that then as a new pastor, I invited all of the leaders, to gather for the first of our semi-annual retreat days of prayer and discernment to listen to the Lord to know the direction to which we would be called to follow, as a parish, in the footsteps of the Lord Jesus Christ. Since that time, we have had several retreats that focused on the message of the Vatican Council II which reminded us that the Eucharist, the Body and Blood of Christ, is the Source and Summit of the life and worship of the Church. From that time we have continued to gather as a parish community to ask the guidance of the Holy Spirit. We have listened to the Word of God and followed in the footsteps of Jesus to fulfill the mission of the Church in our community. In our discernment with the help of the ministries committee we came to articulate our particular mission in the statement: Proclaiming and Living the Gospel through Stewardship, All are Welcome. This focus continues to guide us in the organization leadership and work of the parish as we proceed forward.

This mission guidance has been influenced by the Charism of the Franciscan Friar of the Atonement whose tradition and guidance lead the parish, as we pray and work for the reconciliation of all people with God and one another. Our mission is realized by all of you who are the good stewards of God's gifts poured out on us as a parish here in the Archdiocese of Toronto. Together we live and proclaim the Gospel as stewards of God's blessings as they are poured out upon us so abundantly. Thank you to all of you who make our parish a holy place of prayer, a sacred space of worship and service to the Body of Christ, manifest in all the people we encounter in our lives and the good works we do to glorify God. Our diverse community, united in the mission of the Lord realize the life and proclamation of the Gospel. We pray this is always a place of welcome to all people of every race, circumstance and way of life. May the Lord continue to bless us in the Holy Spirit to continue on the Way of Jesus.

On this St. Joan of Arc Day when we gather as a family to celebrate our parish in fun and fellowship, I pray we may all have a very enjoyable time and that our community will always be a center of welcome and worship for all who love the Lord.

*In the Joy of Jesus,  
Fr. Dan*

Working wonders for people in our homes and parishes...

In 2021, Nadia was brought to Street Haven's emergency shelter by the police. She was an immigrant from India and had been locked in a garage by her husband and mother in law for two years, rarely able to visit the two children. Upon her arrival at Street Haven, Nadia thrived. She slowly built trust with the counselor set Nadia up with a lawyer and after a year of legal consultations, she received custody of her two children. Street Haven helped them find housing and Nadia and her children now live in a beautiful, safe home where they have started a new chapter in their lives. Today is ShareLife Sunday. Thank you for your generosity. You can work Wonders!

**Message from Fr. Dan**

This week, our building committee met to discuss the many works of maintaining the facilities that house our mission. Recently it was discovered that our furnace which is only six years old has become burned out even though it has a ten year guarantee. The committee has begun the process to fix the problem and seeking the remedies that are appropriate given this reality. We will need to replace the boiler before the autumn and will probably need to purchase a new boiler. We hope to recoup the warranted costs to some extent along the way. I have decided to run the Ironman race this year to raise funds to pay for the costs, with the hope that whatever we can recoup from warranted sources can be put into the building funds for future needs that will surface as the building envelope studies demonstrate our needs. Thank you for your generosity to this year's Iron Friar campaign.  
Fr. Dan
