The Pastor's Corner

Peace and Goodness to All!

Let us pray for the special synod on the Family which has gathered in Rome. Pope Francis has called the special synod of Bishops, Theologians and lay persons to Rome throughout the month of October to discuss the needs of Christian Families in our time. It is being called: "The vocation and mission of the family in the church and the modern world." As in all of the Holy Father's work, he demonstrates the ministry service to the whole Church as he has gathered information and contributing efforts from every corner of the Church in the world to prepare the discussions for discernment in the pastoral care of modern families. The material for this synod has been collected for over a year, and the process involving the bishops for the discussion and important decisions of this synod are under way. Let us pray that the Holy Spirit will guide this synod to inspire their work for the service of the Church.

We are making great progress on the Family of Faith Campaign. Last week we reached 90%. Anne Francis is continuing to tally the results each week. I am hoping that when the gathering of the priests happens next week in Alliston, we will have reached our goal. Thank you all who have so generously contributed to this Capital campaign to build the future of the Church in Toronto, and to help us to build our Church and community here at St. Joan of Arc. If you have not contributed to this please consider ways that are possible to make a pledge to be met in the coming years by using the pledge cards that are in the back of the church. These can be deposited in the collection or brought to the office for processing. Members of the Family of Faith Committee or I myself will be glad to talk with you about this and assist you in the process. Details are still available on our website.

At the staff meeting today, Cathi Richardson reported on the growth of our youth group and the many activities they are planning for this year. New members are always welcome to attend this group which meets on Monday nights, just show up and you will be welcomed. Vivian Kwok reported that our religious ed. program is still growing, and we are continuing to accept registrations for our education and sacramental programs. These will be closing in the next couple of weeks, so please register your children at the office of religious education as soon as possible. The RCIA and RCIC programs are also continuing to receive adults and children into these Rites of Christian Initiation as well as welcoming people who wish to study the bible and Catholic traditions. The RCIA program meets every Wednesday evening in the parish meeting room, all are welcome, and the RCIC program for Children is open through the Religious education office. Please call the office for more information on these programmes.

Most of you who have signed up to become involved in our Stewardship organizations have been contacted by the organization leaders to help you become involved. If you have not been contacted, please call me or the office and we'll take care of it for you. Thank you all who welcome new members to come and worship at our parish and become involved in the life and fellowship of our community. May God continue to bless our parish as we live our stated mission: Proclaiming and Living the Gospel through Stewardship, ALL ARE WELCOME! May God bless you all richly.

In the love and joy of Christ Jesus
Fr. Dan

Please Pray for:

Prayer Shawl Ministry

Do you like to knit or crochet? Would you like to learn? Perhaps this is the ministry for you. Over the years Prayer Shawls have symbolized shelter, peace and spiritual sustenance. During the first meeting we will discuss how we can levelling share out time and talents by creating hand knitted or crocheted shawls. This meeting is primarily for brainstorming sharing ideas on how to best move this ministry forward. Tuesday, October 27th at 7:00 pm

Message from D & P

Did you know that farm animals are a major source of greenhouse gases - carbon dioxide (CO2), methane, nitrous oxide, and others!

According to a report published by the United Nations Food and Agriculture Organization, the livestock sector generates more greenhouse gas emissions as measured in CO2 equivalent – 18 percent – than all transportation combined! It is also a major source of land and water degradation. So, consider, eating less animal products, or better still adopt a vegetarian or vegan diet – if even for only one or two days a week!
