**THE PASTOR'S CORNER**

Peace and Goodness to all!

Stewardship Sunday was a great success and so I want to say Thank you to all of you who made this happen. Thanks especially to Rose DiTommaso who organized the placement and decorations on tables with help from William and other volunteers. Rose also organized the forms and prepared the ground for the various screening processes that are involved in the follow-up. What a gift she is to our parish. Thanks also to Cathi Richardson who is ever involved both behind the scenes, gathering volunteers and on site as the chief screening officer of the parish. Cathi's dedication to the parish is a blessing we deeply appreciate. The tables were well visited and we have signed up numerous new volunteers for our many services and organizations. Thank you to all of you for all you do in service and support to make our community a vibrant reflection of God's Kingdom in our midst.

In the next couple of weeks we will assemble the new ministries committee for the parish who will gather to assess the ministerial needs of the parish and begin the process of identifying parish ministers or searching for the right pastoral associates to facilitate meeting the needs identified as most pertinent to our current situation. I will keep you informed of the process.

The finance committee met on Thursday to cover a rather hefty agenda regarding the financial stewardship of the parish, to review our material progress in various projects and services and to review our compliance with various archdiocesan requirements. This committee is a tremendous help to me in the administration of the parish and in giving sound advice in the direction and growth of our parish. We owe a great deal of gratitude to the members of this committee for the service they deliver so well. Thank you to all of you for your dedication to the parish.

Ken VanWinkle, the proprietor of VanWinkle Sign Company came in last week and presented the finalized plans for the new signs for the church, and a deposit was made to permit the work to begin in the installation to begin in the next couple of weeks. These were made possible by your generous contribution to the "Iron Friar" campaign from this past summer. We believe these new signs will enhance our image and make our schedules and activities more visible.

This afternoon we will have our annual blessing of the animals to celebrate the feast of St. Francis which is the 4<sup>th</sup> of October. We hold this event on the Sunday that is closest to the feast. We invite you to bring your beloved creatures great and small for blessing in celebration of the feast. We will also be blessing the children's "Stuffies" at the 10:00 Mass in keeping with our parish tradition for the feast.

St Francis celebrated all of God's creatures as manifestations of the wonder of creation that is crowned in the humanity, which God chose to sanctify by the Incarnation of Jesus Christ the Redeemer of all. As we celebrate the life of St. Francis we remember the holiness of creation that is realized in the saving love of Christ. Come and celebrate this feast with us as we appreciate our beloved pets, who help us know the wonder of God's love and grace.

In the love and joy of Christ.  
*Fr. Dan*
