THE PASTOR'S CORNER

May the Blessings of the Lord, Fill your life with hope and joy.

On Monday we held the first parish council of the season, it was well attended and we were able to discuss proposed structural changes that were designed this summer by a representative committee of the council. The proposed changes are posted on a large poster for all to see in the parish hall. We are open to all suggestions as we go forward in this effort. It will be developed as we go forward to become a more efficient and effective way to improve communication and support for our many parish activities. The Spirit of Stewardship which is a hallmark of our parish, will continue and the former Stewardship committees will continue to gather. As it is currently envisioned we will have a collective meeting of the Stewardship Committee at each Annual Meeting and perhaps another at the halfway point of the year, depending upon what will work best to promote sharing of information and community building.

Tuesday, we had the monthly "Merrymaker's" Mass and Luncheon in the parish hall. It was a grand success. Bro. John Baptist did a terrific job with a delicious chicken lunch completed with scrumptious carrot cake. We all had a wonderful time. What a joy to see all of our friends once again gathered to share in prayer, fellowship, and a great meal. Our Seniors are a great blessing to the community and a major prayer support for all of us. May God Bless them richly.

This evening several persons came forward to sign up for the RCIA program. We are continuing to accept adults who want to be baptized or received into the Catholic Church. If you or anyone you know is seeking this, please know all are welcome to participate in this blessed program that brings new life and growth to our parish.

The Blood Clinic was held this evening, and it is my understanding that they were very pleased with the turnout. Thank you all for your great generosity in this life giving effort for our community.

Today we had our first staff meeting of the activity year and we discussed the importance of continuing the social functions and activities of the parish this year even with the uncertainties of what will happen with the meeting spaces, kitchen, etc. with the Capital Building projects in the wings. We will keep you all posted of the activities as they are brought forward. As it looks we hope to have an Autumn dinner dance, about a week or two before Halloween, and the CWL is planning some activities around the annual Bazaar time, so we will keep you all posted as things develop. Please keep the parish and our activities in your prayers.

I am pleased that some have telephoned seeking communion calls for the sick. It is always a joy and relief to be sure that our parishioners who are shut-in for any reason can continue to be a part of the community.

Thank you all once again for your wonderful dedication and support of the parish. Please remember that Stewardship Sunday is coming on the 27th so please come and be a part of the shared efforts that make this parish the wonderful center of shared life that it is. May God Bless you with ever growing gifts of Faith Hope and Love.

Fr. Dan

Religious Education

September 29th, is the first night for Religious Ed classes. **All Classes will be held at the Church.** (not at Bishop Marrocco/Thomas Merton High School)

Stewardship Weekend

Our annual Stewardship Weekend is next weekend. You are invited to come to the parish hall that weekend, and visit the many tables with information on the ministries of our parish, and how you can serve our church family. Take a look at the ministry tables, find one that appeals to you, and ask questions of our volunteers to find out how you can help. Remember: there is no such thing as a "small job". Every contribution of time and talent is valuable.

Musical? How about singing in the choir! **Friendly?** Why not greet people to the mass! **New to the Parish?** Consider being an usher. **Or...Have you ever considered being a Lector or Eucharistic minister, Server?**

It's not difficult, doesn't take extra time, it's on your schedule, it requires no experience, it's a great way to get to know the parish staff and other parishioners., Why not volunteer? You are already here!
