Planning to be a Catholic Teacher?

It is critical for you to know that to be hired to teach in any Catholic school board in Ontario, as part of your application for employment there must be a letter of reference from your pastor. If you (or if your adult child) is planning to apply to teach in a Catholic School, it is highly recommended you contact the pastor one year before letter is written. Please plan to have a conversation with your pastor early in the process and you will avoid disappointment and stress at the time when applications are to be submitted.

Pastoral Letters of Reference - Candidate must contact the Pastor one year in advance before a character reference can be issued.

Dedication of the Basilica of St. John Lateran

The Basilica of St. John Lateran in Rome is the pope's own church. It is considered the head and mother of all the churches in the world. It is enriched with relics of Christ's suffering and death and of many martyrs.

Originally, this basilica was the palace of a rich Roman senator named Plautius Lateranus. When he died, the emperor Constantine inherited the house. Constantine built a chapel in its walls, which he had dedicated to St. John the Baptist. There was a second altar dedicated to St. John the Evangelist.

The popes lived at the Lateran Basilica until the time of Pope Gregory XI. When this pope returned from Avignon, he took up residence in St. Peter's Basilica, or the Vatican, and the popes have resided there ever since.

Today's feast day reminds us to value the church buildings dedicated to the service and worship of God.

~.~

When we see a beautiful church, it should remind us of all the people called together to worship God. We, the People of God, are the living stones of Christ's Church. It is our lives of holiness and service that make the Church most beautiful.

FAITH IS A LIVED RELASHIONSHIP WITH JESUS.

Your generosity on November 14 and 15 is deeply appreciated.
