Working wonders with families in our neighbourhoods...

The Smith family came for counselling to deal with the sudden death of their parent. The children's grief was complicated by the fact that they were now residing with their other parent, with whom they had not spent a great deal of time, due to long work hours to provide for the family. As this grief stricken family learned about each other, how to relate, how to trust, how to love and build a new definition of "family", they began to open up to their counsellor and share what their life was like before their parent's tragic death. One child in the family shared that a trusted adult in their life used to be very abusive to them – physically assaulting them, locking them in closets, and making them hurt each other – to name just a few of the milder incidents. That disclosure to the family therapist led to the arrest of that individual and it also resulted in those children no longer feeling afraid of any future victimization. Closer family intimacy, safety, and a brighter future resulted for the Smith Family. Last year, ShareLife-supported Family Service agencies provided family counselling to over 5,100 people in the Greater Toronto Area.

Thank you for your generosity. Together we can work wonders!

We keep in our prayers the sick, elderly, the housebound, the "forgotten members" in our community, and their families and caregivers. "Lord, surround them with your healing and steadfast love."

An offering made in memory of a deceased loved one.

An acknowledgement for your donation will appear in the weekly bulletin but no tax receipt is issued.
