Working wonders for our new arrivals in Canada...

Within one year of arriving in Canada, large numbers of immigrants who had no prior mental health problems experience mental health challenges that often impede their ability to settle in Canada. In addition, there are few culturally and linguistically appropriate mental health services. Last year, ShareLife agencies helped to meet this challenge by providing advocacy programs for more than 40,000 immigrants and refugees in the GTA.

Thank you for your generosity. Together we can work wonders!
