Working wonders for those in our community...

“I searched the internet for “help young mother pregnant Mississauga” and I found Vita Centre. I was shocked to find out that there were complete strangers willing to help and guide young mothers to success. Even the resources that I have learned about from my counsellor has saved me so much time and hassle, and has given me hope that things will get better no matter how tough it may feel.” shares Alyssa, who as a young mom, is now experiencing a brighter future, thanks to ShareLife-supported Vita Centre. Last year, over 6,300 young parents received the care, counselling and educational support they needed to care for themselves and their new families.

Thank you for your generosity. Together we can work wonders!
