World Day of Prayer for the Care of Creation— September 1

In 2015, Pope Francis declares September 1 as the World Day of Prayer for the Care of Creation. Coinciding with a celebration instituted by the Orthodox Church, it is also a day of ecumenical prayer and unity.

This is an opportunity for us to come together as a community to reflect, pray, and take meaningful action for the well-being of our planet. The world faces numerous environmental challenges, and it is our duty to stand united in prayer and action to address these issues.

During this day, we can offer prayers of gratitude for the gift of creation, ask for forgiveness for any harm we have caused to the environment, and seek guidance in becoming better stewards of God's Earth.

The Discatery for Promoting Integral Human Development has some practical tips for incorporation sustainable practices in our daily lives.
