Catholic health group leader urges pause on efforts to expand MAiD

Instead of MAiD – Medical Assistance in Dying – Julie Turenne-Maynard wants Canadians to support **MAiL - Mission Assistance in Living**. Turenne-Maynard, executive director of the Catholic Health Association of Manitoba, has started a petition to call on the federal government to pause its efforts to expand MAiD to people with mental illness, and instead provide more support to help them live. “We need better supports for living, not just easier access to dying,” she said. To sign the petition, please use the following QR Code.
