While you're away...

...the costs of running the parish continue. Please consider sharing your gifts through one of our convenient **pre-authorized giving options**. Your offering will be deducted from your bank account or credit card once each month. You can plan your giving in advance for the whole year and make changes at any time with written notification.

A regular, dependable flow of contributions ensures that our financial obligations are met, especially over summer months. Switching away from envelopes also reduces our use of paper, and helps reduce parish costs. Forms are available at all church entrances.
