### From Father Wayne:

Manitoba has a terrible distinction this week. We have the highest covid infection rate of any place in Canada or the USA. There have been so many twists and turns in our journey through the pandemic. I want to be optimistic and start planning our return to normal life. But the life we want is still some distance off on the horizon. Today we continue to focus on the journey through. I pray we all stay healthy and well. Let's do the right thing every day, and find happiness and peace in the many blessings, big and small, that fill our lives. God gives us a beautiful world filled with wonderful people. Our blessings are beyond number.

*"Peace be with you."*
