Praying for the Dead: Catholics believe that after you die you might go to heaven, hell or purgatory. Because of this, we believe that people who have died can be helped by our prayers and we have a strong tradition of praying for the dead. As well as regularly praying for the dead, and especially those we have loved, we often particularly remember the deceased on the anniversary of their death. November is a month when we remember all the dead. You are invited to write the names of your deceased loved ones in the "Book of the Names of the Dead", which will be in a prominent place during the month of November.
