## Let's listen to the voices of our brothers and sisters fighting for their right to a healthy environment

World leaders have gathered for the 26th UN Climate Change Conference of the Parties (COP26). Although these powerful decision-makers are debating the future of the planet, they are probably too far removed from the realities of its most vulnerable people. It is up to us to hear and amplify the voices of those who are defending their rights and the environment against economic ravage.

Medarda Hernandez, whose community in Honduras has been repeatedly harmed by large industrial projects, including supposedly "green" projects, says, "if other extractivist projects start in our community, we are not going to let them pass. I ask the international community to come to our aid, because we are really suffering from this situation."

So that people like Medarda do not go unheard, let's make Canadian companies operating abroad responsible for protecting human and environmental rights. Join Development and Peace's **People and Planet First** campaign to make this happen. Visit <https://devp.org/en> to learn more.

## Remembrance Day with the Knights of Columbus

On Thursday, November 11, the morning Mass will be celebrated at a special time as we remember the courage and sacrifices of the men and women who have served, and those that continue to serve our country so that we may live in peace and freedom.

**10am: Instrumental Music**

**10:15am: Mass**

**10:55am: Remembrance Day Program**

## Virtual Rosary:

Virtual Rosary is offered Tuesdays and Thursdays at 10:30 am via Zoom:
