World Mission Sunday:

"Go! Make disciples of all nations." (Mt.28:19) These words—the imperative mission of Christ—call each baptized Catholic to action. The Church has a lasting mission to perform in this world, a mission that is ever more apparent, and the need for it is ever more urgent. In fact, mission isn't something the Church does. It is what the Church is!

This year, World Mission Sunday is on October 20. This is a worldwide collection for the missionary Church that offers emergency aid when disaster strikes, cares for refugees in war-torn countries, provides rural health clinics and transportation for Priests, catechists, religious and lay pastoral workers. It offers financial support for the daily needs of all missionaries. Please pray for the missions and be generous on World Mission Sunday.

National Catholic Health Care Week:

During National Catholic Health Care Week, October 6-12, thanks is given for the courageous gift of Catholic health care. Whether in hospitals, community health centres, nursing homes or long-term care homes, Catholic health care works to provide purpose-driven care with compassion and innovation. Each year, Catholic health care providers serve more than five million people while living out the healing ministry of Jesus Christ by helping the most marginalized in society. We give thanks for the thousands of physicians, nurses, employees, and volunteers who give of themselves to care for those in need.
