FROM SORROW TO JOY!

As I sit at my computer writing this reflection I am being both blinded and warmed by the sun's rays! At first, I was becoming annoyed because I could not see the screen and I was overheating from the sun's rays. I was definitely not happy. Then I snapped out of it and realized what was happening. It is absolutely glorious! I am so blessed to be bathed in the radiance of the sun. Then I was filled with joy! So often in life it depends on your perspective as to how you experience things.

So let's put on our "glasses of faith" to be able to see Christ's light coming to shatter our darkness. If your life is like mine there is so much darkness because of different circumstances and the pandemic. However, when I put on my "glasses of faith" I am able to see the Light of Christ coming into my world. This morning it was the sun for me! Let's be on high alert to experience the Light of Christ scatter the darkness of gloom despair and sorrow.
