CR CORNER

Experts in pediatrics often say how in the first stages of a baby's life they are typically so close to their parents that they can't differentiate their own identity with theirs. Especially between mothers and their children. There is a bond special bond there that is powerfully relational.

In our Gospel reading this Sunday we encounter Christ as the shepherd who has a special bond with his sheep. They know his voice and he knows theirs. Perhaps there is a familiarity here where identity is transferred in a way where one becomes like the other and is affected by knowing that they are caring for, or being cared for by, the other.

Perhaps reflecting on the special bond between mothers and their children this Mother's Day can give us an insight into the depth to which Christ desires to be in relationship with us. To provide for and love us, even giving his own life for our well-being. May our gratitude for his love draw us closer to him and help us to see his presence in the way all mothers, and mother figures, affect us and shape us in life giving ways. And may God bless all mothers in a special way today!

VOLUNTEER OPPORTUNITY: INCLUSIVE GARDENING

St. Mary's is excited to be partnering with the Mennonite Central Committee's "Circle of Friends" program. Circle of Friends works with individuals who have transitioned from homelessness into stable

housing but face significant social isolation. In response to this social isolation, we will be building raised garden beds on church property which will be used to run a weekly gardening program throughout the summer where parishioners and "Circles folks" can grow vegetables together. Are you interested in being part of our core group of volunteers? Please contact Rianne at rianne.stmarys@gmail.com or 519-576-3860 to learn more. No gardening experience required. All ages welcomed. Garden beds will be raised and wheelchair-accessible so you can join even if you have bad knees or a bad back.

PARENTING TIP OF THE MONTH

As the warmer weather makes its way into our lives, it is a perfect time to help children learn about the beauty of God's created world and our task to be stewards of his creation. Cleaning the yard after winter, planting flowers and vegetables, picking up garbage left behind once the snow melts - these are all great ways to teach your children to honour God's world. And as a bonus, you will spend time outdoors as a family. The world is our home, help your children learn to engage with the earth.

MARRIAGE TIP OF THE MONTH

Marriage in the Catholic faith, through the love of the couple, is meant to be the visible sign of God's invisible love for his people. When people observe your relationship do they see love, patience, kindness, and commitment? If the answer is not as often as you would like, then instead of reverting to arguing, whining, or sarcasm when something goes wrong, change your response to your spouse. Be calm in stressful situations, use (learn if necessary) good conflict resolution skills and above all, commit to putting your spouse first. God is divine, but with a few changes, we can move closer to reflecting his love to all who witness our relationship. (Family Ministry Office, Diocese of Hamilton)
