Dear Parishioners,

Euthanasia Law Amendment - We recently received an insert in the church bulletin from Bishop Fabbro, asking all parishioners to support our doctors and health care professions in their right to refuse to participate in arranging the death of another human being. Bill C-14 which would allow euthanasia in Canada passed into law in June 2016; however, only in the province of Ontario are our doctors being told if they refuse an assisted suicide request from a client, they must "refer" the client to another physician who will perform the action. This still makes the objecting physician complicit in the death of another human being. Some doctors are concerned they may have to leave the province in order to practice their medical profession. We need all our doctors and nurses and they need our support.

Please keep in your prayers those who, by reason of faith beliefs, religious convictions, or Hippocratic Oath refuse to become a party to the taking of another's life for any reason.

Parking at Church

With the increase of families attending Most Precious Blood, it also means increase of traffic. Our parking attendant's main job is to prioritize function and safety. He is hired for everyone's protection. Kindly obey his instructions when he needs to address a concern.

Thank you.
Father Greg

CHURCH CHUCKLE

During a fire at a convent, a group of nuns are trapped on the third floor. Thinking quickly, they took off their habits, tied them together and used them as a rope to climb down from the window.

After safely reaching the ground, a reporter asks, "Weren't you worried that the habits would have ripped as you were climbing down? They look old and worn."

"Of course not!" said one of the nuns. "Don't you know how hard it is to break and old habit?"
