Dear Parishioners,

Both Father Charles and I were given a private tour of the beautiful New St. Teresa of Calcutta School. We are so blessed to have such a state of the art grade school for the Catholic Education of our young children. My heart was touched to see how the focus of such a new school would have a great vision for our special needs children. We were simply in awe as we toured the new facility! Many thanks to the leadership of our School Board for allowing this dream to become a reality so close to our parish church. Together we will continue to celebrate our faith into a future full of hope and glory!

Thank you to all who helped plan, built, prayed and paid for this our new school building. We have been blessed again! St. Teresa of Calcutta, Pray For Us.

If I have heard it once, I have heard it 100 times!

Most Precious Blood Parish is such a giving parish family! From Refugee Family, to Giving Tree, to socks and mittens, to toothbrush and toothpaste, to food of every kind, to car rides, to bus tickets, from one helping hand to another. May the Lord Bless you abundantly for all the generosity you have shown over the past 2 months! I promise, it will come back to you 100 fold!

A New Year's resolution is a tradition, most common in the Western Hemisphere but also found in the Eastern Hemisphere, in which a person resolves to change an undesired trait or behavior, to accomplish a personal goal or otherwise improve their life.

Father Greg
