Steubenville- "Limitless" 2015

The weekend was amazing. All of our participants had an inspiring experience. There were very powerful talks from some of the most influential Catholic speakers of North America, for example, Jason Evert. Jason Evert is the co-author of Theology of the Body for teens. He travels all over the world to speak to teens on Chastity and purity. To hear him speak is life-changing. I was so happy that our teens had the opportunity to hear him speak. We also had the chance to hear from Jackie Francois-Angel, Ben Wadler and more! The music, the 3 masses, the sharing's, the time together, the meals were simply wonderful. I felt so blessed to be a part of the faith experience that our 16 young adult's went through the weekend of June 26-28. I am working on inspiring them to share with you in the coming weeks on their personal journey that weekend. I would like to thank you for the prayers and support these past few months and to continue to pray for the youth and their families.

WHAT IS PRAYER?

Prayer is the practice of the presence of God. It is the place where pride is abandoned, hope is lifted, and supplication is made. Prayer is the place of admitting our need, or adopting humility, and claiming dependence upon God. Prayer is the exercise of faith and hope. Prayer is the privilege of touching the heart of the Father through the Son of God, Jesus our Lord.

On Wednesday evening at 7:30 pm come be a part of the prayer group. Many people feel called to pray alone or pray with a group of friends. We are blessed here at Most Precious Blood to offer the later for those called to pray with a group of brothers and sisters, neighbours and visitors.
