### Canada's Prayer by Chris Robertson

I'm dreaming of Canada tonight.  
A country where mountains and hopes touch the sky  
A country where an ocean of kindness fills all hearts  
A country where ideas are a forest of wisdom  
Oh God let me wake up in Canada!

I'm dreaming of Canada tonight.  
A country where compassion is as tall as a douglas fir  
A country where understanding is as deep as a great lake  
A country where confidence grows like grain  
Oh God let me wake up in Canada!

I'm dreaming of Canada tonight.  
A country where happiness flows like the water of a river  
A country where love is a breath of fresh air  
A country where peace covers the land like snow  
Oh God, please let me wake up in Canada, tonight...

Chris Robertson was the first person in history to travel from bottom of mainland Canada 6,520 kilometres to the top under their own power. Enroute he challenged over 5 million Canadians to make Canada better by answering the question: What will you do in your life to make Canada a better country than when you found it?
