27th Sunday in Ordinary Time

Father Gregory J. Bonin, Pastor
Rev. Mr. Frank Lepain, Deacon
Mrs. Christine Coyle, Coordinator of Youth Ministry
Mrs. Liz Desmarais, Secretary
Mrs. Carol Lemire, Custodian / Maintenance Manager

Dear Parishioners,

There will be a Mass celebrated on Thanksgiving Day, Monday October 10th at 10:00 a.m. Following Mass everyone is invited to the hall for a soup luncheon served by the members of The St. Vincent de Paul.

Thanksgiving Appeal 2016

Once again, we are all invited to share with our parish and the local community. The Thanksgiving Parish Appeal is a very effective way to support ministry in our parish. A reminder that all monies collected in this Appeal stay directly in the parish for parish use only. For your convenience a specially marked envelope has been provided for you and your family in this week's bulletin.

Please note Friday's Exposition Time change due to School Mass.

Exposition of the Blessed Sacrament will take place this coming Friday from 12 Noon until 6:00 p.m. with Benediction.

Thank you to all our students who prepared the Thanksgiving bags in today's bulletin. If you can share some of your food with the poor that would be wonderful. Please bring your groceries in the enclosed bag and present it to the altar next weekend.

God Bless,
Father Greg

October is

Seasonal Influenza and Immunization Month

Seasonal influenza, commonly known as the flu, is an infection in the airways caused by the influenza virus. It's called 'seasonal' influenza because the virus circulates annually in the winter season in Canada. In addition to seasonal influenza, you have probably heard about avian influenza and pandemic influenza.

Seasonal influenza is a contagious respiratory illness caused by the influenza virus. It is easily caught and easily spread. Influenza typically starts with a headache, chills and cough, followed rapidly by fever, loss of appetite, muscle aches and fatigue, running nose, sneezing, watery eyes and throat irritation. Nausea, vomiting and diarrhea may also occur, especially in children.

Influenza also lowers the body's ability to fight off other infections which can lead to pneumonia, bronchitis or other complications. In addition, influenza can worsen a current medical condition such as diabetes, lung disease, heart disease, kidney disease or cancer. Between 4000 and 8000 Canadians can die of influenza and its complications annually, depending on the severity of the season.

Please get your flu shot.

SOCIETY ST. VINCENT DE PAUL BROWN BAGS

In this week's bulletin you will find our beautifully decorated brown bags. The brown bags were decorated by the students of St. Anne's French Immersion and St. Bernard Schools. Make sure to bring your bag home and fill it up with some non-perishable items for our Society of St. Vincent de Paul Food Bank and then bring your bag back next weekend. Together we make a difference in the lives of many people.
