OUR LADY OF LOURDES

Excerpt of Pope Benedict XVI's homily at Lourdes 2008
...Dear Brothers and Sisters, the primary purpose of the shrine at Lourdes is to be a place of encounter with God in prayer and a place of service to our brothers and sisters, notably through the welcome given to the sick, the poor and all who suffer. In this place, Mary comes to us as a mother, always open to the needs of her children. Through the light which streams from her face, God's mercy is made manifest. Let us allow ourselves to be touched by her gaze, which tells us that we are all loved by God and never abandoned by him! Mary comes to remind us that prayer which is humble and intense, trusting and persevering must have a central place in our Christian lives. Prayer is indispensable if we are to receive Christ's power. "People who pray are not wasting their time, even though the situation appears desperate and seems to call for action alone" (Deus Caritas Est, 36). To allow oneself to become absorbed by activity runs the risk of depriving prayer of its specifically Christian character and its true efficacy. The prayer of the Rosary, so dear to Bernadette and to Lourdes pilgrims, concentrates within itself the depths of the Gospel message. It introduces us to contemplation of the face of Christ. From this prayer of the humble, we can draw an abundance of graces...
