OFFERTORY ENVELOPES FOR 2011- A MIX UP!

It has been brought to our attention that there is a mix
up of names and numbers for the people with the
envelopes in and around the 170's. We apologize for
the confusion! If your 2011 box of envelopes does not
correspond to your old number, kindly make a note of
this with your full name on your first couple of
donations so that the secretary can change your
number in the system.

If you have not already done so, please pick up
the box that has your name on it. Also, kindly put
your name and address on the first few envelopes so
that we can make sure that our database is up to date.
If you do not already make use of offertory envelopes,
consider beginning to do so now! It makes the
business of recording donations for tax receipts much
easier. Simply pick up an unassigned box and write
your full name and mailing address on the first few
envelopes you use.

ST. FRANCIS DE SALES, BISHOP & DOCTOR
f.d. January 24

He was born near Annécý, in Savoy, studied the law, and was ordained to the priesthood despite the opposition of his father. His first mission was to re-evangelize the people of his home district who had gone over to Calvinism. Always in danger of his life from hostile Calvinists, he preached with such effectiveness that after four years most of the people had returned to the Church. He was then appointed bishop of Geneva, and spent the rest of his life reforming and reorganizing the diocese, and in caring for the souls of his people by preaching and spiritual guidance.

St Francis taught that we can all attain a devout and spiritual life, whatever our position in society: holiness is not reserved for monks and hermits alone. He wrote that "religious devotion does not destroy: it perfects," and his spiritual counsel is dedicated to making people more holy by making them more themselves. In his preaching against Calvinism he was driven by love rather than a desire to win, so much so that it was a Calvinist minister who said, "If we honoured anyone as a saint, I know of no-one since the days of the Apostles more worthy of it than this man."

St Francis is the patron saint of writers and journalists, who would do well to imitate his love and his moderation, as he said, "whoever wants to preach effectively must preach with love."
