THE CHURCH IN THE APOSTOLIC AGE

Many non-Catholics reject most of the distinctly Catholic practices and beliefs as human traditions, not founded on Scripture. The Church's understanding of the sacraments and the nature of the Church itself are often seen as mere imports from pagan culture. They present the reformation as a return to a truly Bible-based Christianity. But even an introductory study of the time of the Apostles and their immediate successors (the Apostolic Fathers) shows that this view does not stand the test of history. What the Church believed then, at the time of the apostles themselves, was decidedly Catholic, recognizably what we still believe and always have believed. Studying these first generations of Catholics is both a great blessing and provides answers to many questions about our faith. **Participants should have completed the First Session (Introductory Survey), either this year or in a previous year.**

You can register online by going to our website: www.oratory-toronto.org and following the links from 'Oratorian Apostolates'.

REGISTERED IN THE PARISH?

The best way to register in the Parish is to take, fill in, and use the Offertory Envelopes, which are available on the table at the back of the church or at the rectory. When you need a passport signed, or a letter of reference to teach in a Catholic School, it is necessary that you be known by the Parish priest for at least two years. Using the Offertory envelopes makes it easier to issue a receipt for your donations at the end of the year, and enables us to keep our database reasonably accurate.

FATHERS OF THE FAMILY

...The Church, our Mother, is committed to supporting with all her strength the good and generous presence of fathers in families, because they are, for the new generations, irreplaceable custodians and mediators of faith in goodness, in justice and in the protection of God, as Saint Joseph.

-Pope Francis, General Audience February 4, 2015

Wishing a Happy Father's Day to all the Dads past, present and future!
