THE NEW ROMAN MISSAL – BIBLICAL INFLUENCES

As we use the new translation we will perhaps notice more biblical connections than we have been used to. The texts of the Mass are precious to us, partly because they were inspired by the bible. These words have come down to us over the centuries, and most of the words we speak at Mass are rooted in the bible. When we gather for Mass, we are praying with words that have been given to us by our ancestors, who knew the bible well and prayed it well. The revised translation tries to make the connections between the bible and the Mass more clear than they are at present. For more information on the Roman Missal and its changes, visit www.archtoronto.org/romanmissal anytime to continue your reflection.
