NEW MISSAL, NOVEMBER 27 – WHY DO WE NEED ONE?

Until the early 1960s, Mass was celebrated in Latin throughout the world. At the Second Vatican Council it was agreed that the Mass could be celebrated in our own language, and in 1970 Pope Paul VI approved the official Latin text that would be used. This was then translated into different languages to be used throughout the world. It proved to be a huge task which was completed in a very short time. However, because it was done so quickly, some of the richness of the original Latin prayers was, quite literally, 'lost in translation'. It was agreed that a further translation was necessary.

The new translation would keep the original words, meaning and style of the Latin as far as possible. The new translation also means a new edition of the Missal which will include some additional text such as, prayers for the saints who have been added by the Church to the liturgical calendar.

For more information on the Roman Missal and its changes, visit www.archtoronto.org/romanmissal anytime to continue your reflection.

PLENARY INDULGENCE IN NOVEMBER

Eternal rest grant unto them, O Lord, and let perpetual light shine upon them. May their souls and the souls of all the faithful departed, through the mercy of God, rest in peace.

A plenary indulgence, to be applied to the souls of the faithful departed, can be gained by a visit to a cemetery from **November 1 to 8** (inclusive) to pray for the dead, under the usual conditions. The usual conditions are:

- Going to confession within 7 days (before or after) of performing the indulgenced act.
- Receiving Communion within 7 days of performing the indulgenced act.
- Prayer for the Pope's intentions.
- Detachment from sin, even venial sin, while performing the act. To the extent that one's detachment is not perfect, the plenary indulgence becomes a partial indulgence.

Remember that an indulgence is not the forgiveness of sins. It is the remission of the temporal punishment due to sins that have already been forgiven through confession.
