**March 1, 2020**

**First Sunday of Lent**

**From the desk of Fr. Rob.....**

We begin the Season Of Lent with an invitation to return to the Lord and experience the grace of conversion. These 40 days are given to us to spiritually prepare for the joy of Easter and the renewal of our baptismal promises. Take advantage of the prayer materials at the doors of the church and also read in today's insert Pope Francis' Lenten message. It is a good way for us to begin this journey. He invites us to trust in God's mercy and allow our hearts to be renewed. Our whole Christian journey is about conversion. Our prayer, fasting and acts of loving service are all meant to help us to change. Many times we may ask - what do I need to change or why do I need to change? To change is to experience growth and new life. The Saints tell us that to change often is to be on the path to holiness. Conversion can be a challenging process. It requires patience, humility, openness, trust and prayer-lots of each! Like Jesus, we are invited into the wilderness to quiet our hearts, face temptations and with God's grace overcome them and cultivate a spirit of prayer as we invite the Holy Spirit to show us the big picture. Too often we get bogged down in the minutiae of life and fail to see the wider view of the Kingdom. Lent gives us this chance to trust in the Lord even when we don't have all the details.

During Lent, we are invited to pray with and for one another. Come to a daily mass, meet new disciples, pray the Stations of the Cross led by our parish groups on Friday as we journey together, volunteer some time to help others. Pray, Fast, Give alms. St. Paul reminds us ***"that now is an acceptable time; now is the day of salvation."***

**SACRAMENT OF BAPTISM**

Please contact Rachelle for any baptism inquiries. The next baptisms will be on Sunday, April 18/19 within masses. Due to the celebration of First Communion, baptisms in May will be held on Saturday, May 9 at 11 am. There are no baptisms during the Season of Lent.

**SILENCE IN THE LITURGY**

At a recent meeting with the Bishops and pastors the topic of silence in the liturgy was raised. The Bishop mentioned how the liturgy has built into it moments of silence in order to reflect on what has been proclaimed (God's Word) and on what is being celebrated. We will be working with our music ministry to help them incorporate more moments of silence especially after the communion procession has ended in order to allow people a moment of silent prayer and thanksgiving. We must also recognize the importance of fostering silence when preparing for the liturgy to begin in order for each one of us to be properly disposed to worship the Lord.

During the week, the rosary is prayed before Wednesday, Thursday and Friday morning mass. We ask those involved to ensure the prayer is completed **at least 15 minutes** prior to the mass beginning. While praying the rosary is commendable, it is not intended to be what gets us ready for mass. We need to allow people time for their own private prayer and devotions. Please make an effort to start a little sooner so that the 15 minutes prior to weekday mass is reserved for personal prayer and silence.

### OUR LENTEN JOURNEY

We are praying the Stations of the Cross in a new way for our family, almost like making a pilgrimage together. This gives us

a chance to feel comfortable in all of our places of worship and pray together often, allowing us the opportunity to get to know one another. The Stations will be led by different parish groups each week. This Friday, March 6th at 7 pm will be at St. Vincent de Paul Church 2015 Balfour Blvd, just off Jefferson and Tecumseh.

### SUGGESTED FOOD PANTRY ITEMS for next Sunday

Toothbrushes, toothpaste, bars of soap, deodorant, shampoo, disposable razors, shaving cream. We also have a need for boxes of Kraft Dinner.

### The tree of solidarity that is Development and Peace — Caritas Canada

In 1967, the Bishops of Canada sowed a seed of solidarity, seeking to nurture a movement for social justice. This seed took root and blossomed into a strong tree. Its roots are the thousands of Canadians who support the organization by donating time and money. Its branches are partners who flourish and help build a world of justice. Their work bears fruit for millions of people in the Global South who are taking charge of their own destiny.

Consult the Mini-magazine to learn more about Development and Peace's work: [devp.org/lent/resources](http://devp.org/lent/resources).
