## Easter Message

*"Easter season is a time of hope. There is still fear, there is still a painful awareness of sinfulness, but there also is light breaking through. We can be joyful or sad, optimistic or pessimistic, tranquil or angry, but the solid stream of God's presence moves deeper than the small waves of our minds and our hearts. Easter brings the awareness that God is present even when his presence is not directly noticed. Easter brings the good news that, although things seem to get worse in the world, the Evil One has already been overcome. Easter allows us to affirm that although God seems very distant and although we remain preoccupied with many little things, our Lord walks with us on the road and keeps explaining the Scriptures to us."*

Source: Show Me the Way: Daily Lenten Readings by Henri Nouwen.

Easter indeed is a time of hope and a simple awareness that no matter where we are along the journey of faith God in the person of Jesus Christ is walking with us. It is a matter of simply noticing and making that truth the foundation of our lives.

Easter calls us as well in a very personal way to ask a simple question: where does a resurrection need to happen in my life? What does it mean that I am too called to New Life in Christ?

Have a Blessed Easter.

Fr. Jinto Mathew csc

*"This workshop has helped me to reflect on my priestly call, a privileged service in God's Kingdom; and has reenergized me and my brother priests to be better in our service. Given our rural and remote location, serving people who live in poverty can be draining at times. This workshop and dialogue has made a renewing impact for many of us. It has given us hope and strength to renew our enthusiasm and we do hope it continues in the future. We are deeply grateful and offer our prayers of support to ShareLife who made it financially possible for us to come together." – St. Justine de Jacobis  
Pastoral Office, Catholic Eparchy of Segenelty, Eritrea.*
