The landowner in today's parable represents God whose grace and mercy are extravagantly poured out to all of us called to be His disciples, to imitate His love. It doesn't matter whether He calls one early or later in life to share in His grace. Our duty is simply to respond and to follow Christ closely and to imitate the great love and generosity of our Father in order to enjoy the fullness of life.

The **Children's Liturgy of the Word Program** at the **10 am Mass** has started for the **2017-2018 school year**.

A reminder to parents about the format and purpose of the program:

The program provides the children **aged 3-11** with an experience of God's Word in the form of Bible stories for the younger group, and the Sunday gospel for the older group.

The younger group is for children **aged 3-6**. Parents can bring these children downstairs to their room before the Mass begins, or they can wait until the children are called to the front by Fr. Jinto. The program for the younger group continues until the end of Communion. After Communion, the children come back upstairs, either to the front of the church, or back to their parents.

The older group is for children **aged 7 to 11** (Grade 2 or higher). This group is sent to their program when Fr. Jinto calls the children to the front. The older children hear the Sunday Gospel and have activities and discussion to reflect on its meaning. They return upstairs just before the Eucharistic Prayer.

NEW VOLUNTEERS ARE NEEDED: We welcome any of the high-school aged youth of the parish to consider volunteering as a student helper with the younger group (this can be used to count towards your high school community service requirement). We are hoping that at least 4 new high school volunteers will join us to replace the 6 excellent student helpers who "retired" in June when they graduated to university.

We also welcome parents or other adults to volunteer to become teachers or helpers. We certainly need one new teacher to join us in the younger group. In addition, we are encouraging parents of the children participating in the younger group to come downstairs and volunteer as a helper from time to time. Conducting an activity-based session with 15-20 young children, many of pre-school age, requires many helpers in order to run smoothly.
