INSIDE Annunciation Church:

ROMAN MISSAL—THE NEW TRANSLATION

WHY DO WE NEED ONE?

Until the early 1960s, Mass was celebrated in Latin throughout the world. At the Second Vatican Council it was agreed that the Mass could be celebrated in our own language. And in 1970 Pope Paul VI approved the official Latin text that would be used. This was then translated into different languages to be used throughout the world. It proved to be a huge task which was completed in a very short time. However, because it was done so quickly, some of the richness of the original Latin prayer was, quite literally, “lost in translation”. It was agreed that a further translation was necessary.

The new translation would keep the original words, meaning and style of the Latin as far as possible. The new translation also means a new edition of the Missal which would include some additional text such as, prayers for the saints who have been added by the Church to the liturgical calendar. For more information on the Roman Missal and its changes, visit www.archtoronto.org/romanmissal anytime to continue your reflection.
