## **MARRIAGES:**

Couples planning to be married must contact a priest well in advance of the wedding date. They must also receive personal preparation for entering marriage.

If either party has previously gone through any form of civil or religious marriage with another person, the priest is not permitted to set a date for the wedding until the Bishop's office has been consulted.

It should be noted that Catholics, in order to marry validly, must marry before the parish priest or his delegate and two witnesses. A civil marriage or a marriage before a non-Catholic minister is not a valid marriage. Couples in such "marriages" should contact a priest to have the situation rectified.

### Working wonders in our community ...

“ShareLife supports a large family of Catholic agencies that truly do feed, clothe and shelter people, care for the sick and frail, and befriend the isolated and lonely. Reflecting Catholic charity, they protect the vulnerable, guide and counsel the troubled, visit people in prison and give a voice to the voiceless. Regardless of their religious beliefs or personal background, ShareLife agencies meet people where they are, treating them with the dignity and respect we all deserve.”
