MARRIAGES:

Couples planning to be married must contact a priest well in advance of the wedding date. They must also receive personal preparation for entering marriage.

If either party has previously gone through any form of civil or religious marriage with another person, the priest is not permitted to set a date for the wedding until the Bishop's office has been consulted.

It should be noted that Catholics, in order to marry validly, must marry before the parish priest or his delegate and two witnesses. A civil marriage or a marriage before a non-Catholic minister is not a valid marriage. Couples in such "marriages" should contact a priest to have the situation rectified.

SHARELIFE 2017:

TODAY IS SHARELIFE SUNDAY

Living the Gospel by supporting ShareLife....

"The ShareLife campaign provides for the needs of our social service agencies, helps to evangelize the Gospel to brothers and sisters in

Christ across the world, and supports the education of our clergy. It is important that we continue to support the ShareLife appeal, to provide for the needs of the marginalized both here in our communities and around the world. Sometimes the results are obvious and sometimes they're invisible but, always they make a tangible difference in the lives of the people we are helping. **Please prayerfully consider how you can be supportive today on ShareLife Sunday."**

—Thomas Cardinal Collins, Archbishop of Toronto.
