MARRIAGES:

Couples planning to be married must contact a priest well in advance of the wedding date. They must also receive personal preparation for entering marriage.

If either party has previously gone through any form of civil or religious marriage with another person, the priest is not permitted to set a date for the wedding until the Bishop's office has been consulted.

It should be noted that Catholics, in order to marry validly, must marry before the parish priest or his delegate and two witnesses. A civil marriage or a marriage before a non-Catholic minister is not a valid marriage. Couples in such "marriages" should contact a priest to have the situation rectified.

SHARELIFE 2013

Working wonders for refugees and immigrants...

Immigrants who are internationally trained professionals are finding it difficult to access regulated professions. Prohibitively high barriers to accreditation (barriers that many Canadian born and educated professionals couldn't meet) mean that many of our most promising immigrants are unable to fully participate in their new country. ShareLife agencies are working hard to deal with these difficulties and remove the accreditation barriers. **In 2012, ShareLife agencies assisted nearly 40,000 newly arrived people in the GTA to become productive and self-sufficient.**

Third ShareLife collection - May 26.

Please give generously. You can work WONDERS!
