## **MARRIAGES:**

Couples planning to be married must contact a priest well in advance of the wedding date. They must also receive personal preparation for entering marriage.

If either party has previously gone through any form of civil or religious marriage with another person, the priest is not permitted to set a date for the wedding until the Bishop's office has been consulted.

It should be noted that Catholics, in order to marry validly, must marry before the parish priest or his delegate and two witnesses. A civil marriage or a marriage before a non-Catholic minister is not a valid marriage. Couples in such "marriages" should contact a priest to have the situation rectified.

#### Working wonders for those entering the priesthood ...

Men who have responded to God's call to dedicate their lives to His service come from all walks of life. Those who enter the priesthood come from different ages and backgrounds, economic situations, skill sets, and ethnic communities. As ShareLife-funded agencies such as Serra House, Redemptoris Mater, and St. Augustine's Seminary, they undergo extensive theological education and practical field training. Through ShareLife, you are helping sustain the vocations for the priesthood and inspire discernment for God's call. Last year ShareLife helped support 80 priests and seminarians in their formation studies.
