MARRIAGES:

Couples planning to be married must contact a priest well in advance of the wedding date. They must also receive personal preparation for entering marriage.

If either party has previously gone through any form of civil or religious marriage with another person, the priest is not permitted to set a date for the wedding until the Bishop's office has been consulted.

It should be noted that Catholics, in order to marry validly, must marry before the parish priest or his delegate and two witnesses. A civil marriage or a marriage before a non-Catholic minister is not a valid marriage. Couples in such "marriages" should contact a priest to have the situation rectified.

SHARELIFE 2013

Working wonders for people who are homeless...

While at Matt Talbot we helped Richard reunite with his brother, who was lost to him through separate adoptions. He was also able to deal with his mother's death, a woman he had mixed feelings about, because she was the person who originally committed him to the system as a young child. Today Richard is working odd jobs; he drinks rarely and still has his apartment. He still overflows with teenage-boy energy, although he is approaching 60 and stands 6'5". There is a calm to Richard that's new. Some of that calm comes from his maturing while in the Matt Talbot Program. Some of it comes from us learning when to let go and to move people along to their next phase of growth.

In Toronto alone there are at least 1,500 homeless people on any given night, On an annual basis ShareLife agencies provide food, shelter, guidance, care and counselling to more than 10,000 people in the Greater Toronto Area.
