MARRIAGES:

Couples planning to be married must contact a priest well in advance of the wedding date. They must also receive personal preparation for entering marriage.

If either party has previously gone through any form of civil or religious marriage with another person, the priest is not permitted to set a date for the wedding until the Bishop's office has been consulted.

It should be noted that Catholics, in order to marry validly, must marry before the parish priest or his delegate and two witnesses. A civil marriage or a marriage before a non-Catholic minister is not a valid marriage. Couples in such "marriages" should contact a priest to have the situation rectified.

CANADIAN MISSIONS COLLECTION TODAY

The Canadian Missions Collection supports remote dioceses in NWT and in northern Alberta as well as Catholic Missions in Canada. CMIC fosters and extends blessings of the Catholic faith by supporting many missions in many regions of our country where the population is too small, or the economic situation of the community is too fragile for the people themselves to support their local Church and its ministry.

Catholic Missions in Canada and the selected dioceses in Northern Canada will benefit from your generosity to sustain and extend the Catholic faith to isolated, poor and hard-to reach mission areas in our country. Thank you for your support of this important work! The second collection will be taken up today.
