MARRIAGES:

Couples planning to be married must contact a priest well in advance of the wedding date. They must also receive personal preparation for entering marriage.

If either party has previously gone through any form of civil or religious marriage with another person, the priest is not permitted to set a date for the wedding until the Bishop's office has been consulted.

It should be noted that Catholics, in order to marry validly, must marry before the parish priest or his delegate and two witnesses. A civil marriage or a marriage before a non-Catholic minister is not a valid marriage. Couples in such "marriages" should contact a priest to have the situation rectified.

Unless you indicate on admission to a hospital that you are a Catholic, a priest will not be notified, not even the official chaplain in the hospital.

IF YOU ARE TO BE ADMITTED FOR SURGERY...

Call your parish priest prior to your admission. Upon admission at the hospital identify your religion as Catholic. If you do not, no priest or deacon will be informed, and thus will not be able to visit you. Formed.org is --a teaching tool!

The Bible and the Virgin Mary is a dynamic twelve-part video series that beautifully explains the Catholic truths about Our Lady, showing how she has been a part of God's plan to bring salvation to the world since the beginning of time. In addition to explanation of dogmas, answers to common objections, and demonstration of Mary's presence in the Old and New Testaments, this study discusses Church-approved Marian apparitions that play an important role in Catholic Tradition. Just use the parish code -- CGMJW -- to access this series and much much more.
