MARRIAGES:

Couples planning to be married must contact a priest well in advance of the wedding date. They must also receive personal preparation for entering marriage.

If either party has previously gone through any form of civil or religious marriage with another person, the priest is not permitted to set a date for the wedding until the Bishop's office has been consulted.

It should be noted that Catholics, in order to marry validly, must marry before the parish priest or his delegate and two witnesses. A civil marriage or a marriage before a non-Catholic minister is not a valid marriage. Couples in such "marriages" should contact a priest to have the situation rectified.

NEW AT THE BOOKSTALL

Fr. Jonathan Robinson's new book, "**In No Strange Land**" is available in the Bookstall ! *In No Strange Land* illuminates the richness of mysticism – in the life of Philip Neri – as an "experience of the activity of God." The life of the Apostle of Rome demonstrates that it is primarily people, not arguments, that reveal the mysteries of God. *In No Strange Land* is an outstanding contribution to Renaissance biography, historical theology, and the study of mysticism. **\$25.**

ALSO AVAILABLE!
