MARRIAGES:

Couples planning to be married must contact a priest well in advance of the wedding date. They must also receive personal preparation for entering marriage.

If either party has previously gone through any form of civil or religious marriage with another person, the priest is not permitted to set a date for the wedding until the Bishop's office has been consulted.

It should be noted that Catholics, in order to marry validly, must marry before the parish priest or his delegate and two witnesses. A civil marriage or a marriage before a non-Catholic minister is not a valid marriage. Couples in such "marriages" should contact a priest to have the situation rectified.

LIVING WILL/POWER OF ATTORNEY FOR PERSONAL CARE - A PRO-LIFE APPROACH

Everyone needs a Living Will/Power of Attorney for Personal Care when they are unable to make medical decisions for themselves. Recent court cases have proved that your power of attorney for personal care needs to reflect your respect for human life.

"Living Wills" can be mis- interpreted and general Powers of Attorney can be removed from the hands of the person you have chosen for that task.

The Life-Protecting Power of Attorney for Personal Care was designed to protect you from decisions which will unethically lead to your death. It will also ensure that the person you choose will remain your Power of Attorney for Personal Care. For further information contact the Euthanasia Prevention Coalition to order the Life-Protecting Power of Attorney. Phone 1- 877-439-3348.
