MARRIAGES:

Couples planning to be married must contact a priest well in advance of the wedding date. They must also receive personal preparation for entering marriage.

If either party has previously gone through any form of civil or religious marriage with another person, the priest is not permitted to set a date for the wedding until the Bishop's office has been consulted.

It should be noted that Catholics, in order to marry validly, must marry before the parish priest or his delegate and two witnesses. A civil marriage or a marriage before a non-Catholic minister is not a valid marriage. Couples in such "marriages" should contact a priest to have the situation rectified.

OLIVE WOOD CARVINGS FROM THE HOLY LAND

Holy Land Christian Families are visiting our parish this Sunday on December 6th and 7th to display the Olive Woods from the Holy Land. Due to religious wars and conflict; that led many Christian families to leave their homes because of job loss. Hand Carving Olive Woods are Religious items that are hand made by these Christian families. This is their only source of income and our mission is to help these families by selling their work to help with food, shelter and a better education. This way they can continue the only life they have known; especially during this Christmas season.
