MARRIAGES:

Couples planning to be married must contact a priest well in advance of the wedding date. They must also receive personal preparation for entering marriage.

If either party has previously gone through any form of civil or religious marriage with another person, the priest is not permitted to set a date for the wedding until the Bishop's office has been consulted.

It should be noted that Catholics, in order to marry validly, must marry before the parish priest or his delegate and two witnesses. A civil marriage or a marriage before a non-Catholic minister is not a valid marriage. Couples in such "marriages" should contact a priest to have the situation rectified.

NARTHEX -- The Antechamber of the Church

The narthex is a good place to greet people on the way in and out of church. But it is not the best place to socialize because the noise is such as to disturb those praying before and after Mass. Why not come to the Coffee House downstairs in the parish hall in the winter? The Coffee House is open Sunday mornings till 12:30 p.m.
