MARRIAGES:

Couples planning to be married must contact a priest well in advance of the wedding date. They must also receive personal preparation for entering marriage.

If either party has previously gone through any form of civil or religious marriage with another person, the priest is not permitted to set a date for the wedding until the Bishop's office has been consulted.

It should be noted that Catholics, in order to marry validly, must marry before the parish priest or his delegate and two witnesses. A civil marriage or a marriage before a non-Catholic minister is not a valid marriage. Couples in such "marriages" should contact a priest to have the situation rectified.

COINS FOR LIFE 2018

Would you, your family and friends put aside your twonies, loonies, quarters, nickels, dimes during the next 4-6 weeks, and contribute these savings to help in the struggle to end abortion and to create a Culture of Life in Canada? If so coins for life boxes will be handed out at the back of the church today. This project helps us to continue to run the National March for Life in Ottawa on May 10, 2018. Be sure that your small change can lead to a BIG change in our land and does help to save countless innocent lives now and in the future. God's preborn children in the womb have no voice but ours.

You may even wish to make this a family, school, office project? Spread the good news of the sanctity of every life from conception to natural death which God created as no one has the right to destroy that life.

In our present-day culture of death society we all have a role to play to reverse the tide even with this 'little project' for life. The Parish will post the date to return the boxes and if you wish, leave your name/address/email/cell so CLC can thank you personally for your kindness.

For more information call Jenny or Jeff at CLC, 416 204 9749. Volunteers are always needed!
