MARRIAGES:

Couples planning to be married must contact a priest well in advance of the wedding date. They must also receive personal preparation for entering marriage.

If either party has previously gone through any form of civil or religious marriage with another person, the priest is not permitted to set a date for the wedding until the Bishop's office has been consulted.

It should be noted that Catholics, in order to marry validly, must marry before the parish priest or his delegate and two witnesses. A civil marriage or a marriage before a non-Catholic minister is not a valid marriage. Couples in such "marriages" should contact a priest to have the situation rectified.

CATHOLICS URGED TO SUPPORT PHYSICIANS' CHARTER RIGHT OF FREEDOM OF CONSCIENCE AND RELIGION

The College of Physicians and Surgeons of Ontario (CPSO) in a proposed new draft document states: "Where physicians are unwilling to provide certain elements of care due to their moral or religious beliefs, an effective referral to another health care provider must be provided to the patient". Catholic physicians believe that a mandate for an "effective referral" is a violation of a physician's rights, as it *compels the physician to violate his or her own conscience by being a participant in the very act, the very procedure to which he or she objects in the first place* The CPSO is accepting submissions from all Ontario citizens until February 20. We are all called to inform the CPSO in writing that we reject the proposed "effective referral" mandate for doctors whose Charter right of freedom of conscience and religion must be respected. The Catholic Civil Rights League (CCRL) is one Catholic lay group coordinating these efforts. Go to www.ccrl.ca to find out more and to get involved.
