MARRIAGES:

Couples planning to be married must contact a priest well in advance of the wedding date. They must also receive personal preparation for entering marriage.

If either party has previously gone through any form of civil or religious marriage with another person, the priest is not permitted to set a date for the wedding until the Bishop's office has been consulted.

It should be noted that Catholics, in order to marry validly, must marry before the parish priest or his delegate and two witnesses. A civil marriage or a marriage before a non-Catholic minister is not a valid marriage. Couples in such "marriages" should contact a priest to have the situation rectified.

FIFTEENTH SUNDAY OF ORDINARY TIME

Dear Parishioners and Friends of Holy Family Parish:

It was wonderful to see so many of you on Sunday! And a great big thank-you to the volunteers who make it possible by cleaning the church and helping parishioners to adjust to the present situation! Please tell your friends that the church doors are open.

Fr. Martin Hilbert
Pastor

Masks Required by City By-Law

As of July 7, masks are required by the city by-law for attendees at Mass. Please bring a mask with you. When you receive Communion, you may take off the mask after you have received the Host in your hand in order to consume the host. Then resume wearing the mask. Because of the distance from the congregation, the priests will not wear the mask at the altar, but will wear them for distributing Communion.

The weekday and Saturday morning schedule remains the same as before the lockdown. There is no need to register for these Masses. But we encourage you to read to consult the Oratory's [Covid protocol page](#) before coming.

There is a need to register for the Saturday evening and all Sunday Masses. The registration process is explained on the [same page as above](#)

The Oratory Summer School

We have decided to offer the program through Zoom. Those who register through Eventbrite can come to the classes in person (as long as the numbers do not go beyond the social distancing limits in force at the time). And all who register can watch through Zoom. All the material will be recorded and kept online for a week, so that those whose work schedules did not allow them to attend summer school in past years, can now benefit from this program.

All the other details about the program: dates, topics, cost, registration procedures, etc. can be found [here](#).
